

Job Title: Pipe Fitter	Last Updated: 3/8/18
Department: Field Installations	Direct Reports To: Field Superintendent
Status: Non-Exempt	

Our field installation department is growing quickly, and we're hiring! We are currently in need of an entry level pipe fitter to join our team. The successful candidate will be responsible for installing and repairing PVC pipe, copper tube, aluminum tube, and threaded or grooved iron pipe in all sizes. We specialize in heat transfer, compressed air, and material handling systems. ITS offers competitive pay and full benefits. We offer complete on the job training. ITS invites anyone who is mechanically inclined, hardworking, and willing to be trained to apply today! Career advancement is available.

Responsibilities:

- Install, maintain, modify, and repair all mechanical pipe installations.
- Take direction from site leader.
- Willingness to be trained and learn a trade.
- Adhere to all quality and safety codes

Qualifications:

- Must be conscientious about safety at all times
- High school diploma/GED required
- Mechanically inclined.
- Must be willing to travel.
- Must provide own hand tools.
- Capable of lifting and carrying a minimum of 50 pounds without assistance
- Excellent hand-eye coordination
- Strong interpersonal communication skills
- Strong problem solving and critical thinking skills
